RECIPE

Before making this recipe...

1. Wash all utensils, pans – and your hands.
2. Spray the cooking pan with nonstick cooking spray.
3. Preheat REAL MEAL™* Oven for 15 minutes.
4. Be sure cooling rack is fully inserted into oven.
5. REAL MEAL™* Oven mixes are for use in REAL MEAL™* Oven only.

Cinnamon Roll (makes 3 mini rolls)

1. Pour contents of cinnamon roll mix packet into mixing bowl. Add 3 teaspoons of water and stir until mixture is smooth.

2. Prepare a clean surface and sprinkle it with flour. Also sprinkle your hands with flour. With a rolling pin, roll out a thin, flat layer of dough about 1/8 inch thick.
3. Spray layer of dough with nonstick cooking spray. Sprinkle one half of the cinnamon topping over entire layer.

4. Roll up layer of dough (cinnamon topping inside) to form a long roll. Use REAL MEAL™* spatula to cut the roll into 3 equal parts. Place mini cinnamon rolls flat in pan, with pieces touching in center of pan.

5. Place pan in chamber chute, then use handle end of pan pusher to insert pan into cooking chamber. (Be sure both metal doors inside oven are closed.)

6. Set oven timer for 15 minutes. Press "START" button to begin cooking.

7. When cooking time is complete, use pan pusher to push cooking pan all the way through to cooling chamber. Allow pan to cool for 10 minutes. Pull out cooling rack, then use pan pusher to remove pan from rack.

8. Pour half the contents of creamy frosting mix packet into mixing bowl. Add 1/2 teaspoon of warm water, and stir thoroughly with spoon until smooth. (For thinner frosting, stir in droplets of water to desired consistency.)

9. With a spoon, spread frosting on each roll.

Use the other packet of Cinnamon Roll mix and the remaining frosting mix and topping to make 3 more rolls.

Eat and enjoy your delicious treat!
